

**THE STATE OF NEW HAMPSHIRE
JUDICIAL BRANCH
SUPERIOR COURT**

Merrimack County

Merrimack Superior Court

State v. Logan Clegg

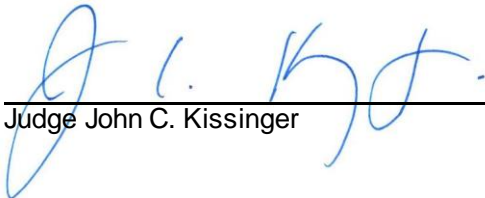

217-2022-CR-01226

ORDER

A hearing was held. The trial is now set for July, 2023. Jury selection will be on July 10, 2023 and trial is scheduled to begin the morning of July 11, 2023, with a view. The trial is expected to last 2-3 weeks. Counsel for the State and defense will confer on a proposed case management schedule and submit a proposal on or before February 17, 2023.

After considering the arguments of counsel in court and in pleadings, the Court grants the State's motion to unseal given the strong public interest in access to non-confidential court records. The Court finds that the reasons for keeping them sealed are no longer present and that there is no reason to distinguish the situation presented in this case from other criminal matters in which Gerstein affidavits, affidavits in support of arrest and search warrants, applications and returns are routinely contained within the public court file. So ordered.
