STATE'S MOTION TO ADOPT ITS PROPOSED SCHEDULING ORDER

NOW COMES the State of New Hampshire, by and through its attorneys, the Office of the Coos County Attorney, John G. McCormick, Coös County Attorney, and states as follows:

1. The State and defense counsel have discussed a scheduling order in this matter and have been unable to reach an agreement on scheduling deadlines in the above-captioned case. The State anticipates that an extensive number of substantive motions will be filed in the case, requiring additional litigation and numerous hearings. The State further anticipates noticing a number of expert witnesses for trial, resulting in additional pleadings, responsive motions, and depositions from both the State and defense counsel. Considering this, the State proposes the below order, to provide time for both parties to properly notice witnesses for hearings, respond to pleadings, and to account for time so that the Court may make and draft findings of law, thus guiding the pre-trial and trial litigation in this matter. Furthermore, based on information or belief, co-counsel for defendant is scheduled to be unavailable due to a pre-arranged trip for the month of May 2020.
2. Accordingly, the State proposes the following scheduling order, and moves the Honorable Court to approve the deadlines listed in a-m below:
 - a. Jury selection: November, 2020
 - b. State to provide Discovery: Completed¹

¹ Discovery forthwith to the defense to the extent that any is generated during the pendency of this matter.
