

**THE STATE OF NEW HAMPSHIRE  
JUDICIAL BRANCH  
SUPERIOR COURT**

Rockingham County

Rockingham Superior Court

**David Meehan v State of New Hampshire, et al**

**217-2020-CV-00026  
(AND ALL CONSOLIDATED YDC/YDSU CASES)**

ORDER

The clerk shall schedule a hearing on the pending motions to dismiss the master complaint. This hearing shall take place at the same time as the upcoming case status conference. The status conference had been scheduled for December 14, 2022, but it has been continued and a new date has not yet been set.

The combined motions hearing and status conference shall be scheduled for three hours due to (a) the large number of attorneys and claims, (b) the likely amount of time necessary for case structuring and (b) the myriad of claims in the pending motions to dismiss. Frankly, this judge hopes that three hours will be far more time than necessary, but reserving extra time is far better than reserving too little.

The combined motions hearing and status conference shall take place after January 12, 2023 (but not between the dates of January 16 and 24, inclusive), and may take place in February.

December 12, 2022
