Courthouse: Coos County

Defendant / Case: Dustin Durin

Victim(s): Catlyn Nafziger

1. Please describe the physical impact that this incident has had on you.

Dustin Durin's cold blooded murder of Catlyn has stricken me
with sleepless nights, night mares, lack of appetite, anger, fear
and heartbreak. I will never be in the presence of Catlyn again. No more
laughs, hugs, conversations, holidays. Only the deep pain of being around her
children, motherless children who I love but must hold back my fears of
sorrow around. Dustin Durin is a threat and menace to them, me, & society.

2. Please describe the emotional impact that this incident has had on you.

From when I got the news, and collapsed to the ground in shock and
regret I have been emotionally distraught. I worried for Catlyn's
safety for years before the murder. Dustin Durin free to brutalize
or murder anyone again, the thought of it, is emotionally traumatic.

3. Please describe the financial impact that this incident has had on you.

I have spent over \$5,000 of my own money to travel to the funeral,
attend the court hearings, support the family, contribute to the kids
go-fund-me collection. Dustin Durin can never be free again.

He has cost uncalculable amounts that it will take to raise the
girls in as normal and productive lives as possible. He never provided
he has always been a taker of money, emotional energy, and now
the life of a little girl who grew into a fine woman and a wonderful
mom.

4. Please describe any sentencing input you have for the defendant.

Please lock Dustin Duren up until both kids are at least
well into their 30's or 40's. His twisted mind is a threat
to the kids and others. None of us are safe; if Dustin Duren
is free. He has nothing to contribute to society except
pain, death and dysfunction.

5. Please write any additional information that you would like to share with the court.

Catlyn was scared of Dustin. Scared for herself and her
kids. She tried to appease him, to get through life somehow
without any reasonable support from him. Even so, she tried
to keep the kids in a situation that allowed Dustin to be part of
their life, a great risk to herself. For this she was murdered. Dustin can
never be freed. He is a threat to the kids, relatives, friends of Catlyn and
society at large.
