Honorable David W. Ruoff

v.

STATE OF NEW HAMPSHIRE

ASSENTED-TO MOTION TO ADOPT STIPULATED BRIEFING SCHEDULE

Intervenor, Coalition Communities (the “Coalition”), jointly with the other parties, hereby moves the Court to adopt the stipulated briefing schedule outlined below, saying in support:

1. The Parties recently conferred to streamline the briefing process for Plaintiffs’ Motion for Partial Summary Judgment, objections to the Motion, and any cross-motions to be filed by the State or the Intervenor with the goal of providing the Court with a full package of pleadings as soon as practicable.

2. To avoid multiple replies, objections, and other duplicative pleadings that could clog the docket, they have stipulated to the following briefing schedule:

- State and Intervenor to file objections to Plaintiffs’ Motion, together with any cross-motions for summary judgment by **February 6, 2023.**
- Plaintiffs to file response memoranda to State and Intervenor submissions by **February 27, 2023.**
- State and Intervenor to file any reply memoranda **within seven days of Plaintiffs’ response.**
- Argument to be held at Court’s earliest convenience thereafter.
