

STATE OF NEW HAMPSHIRE
Superior Court
Rockingham, ss.
Case No. 215-2022-CV-00167

Steven Rand, et. al. v. State of New Hampshire

MOTION TO STREAM OCTOBER 14, 2025 HEARING VIA WEBEX

NOW COME the Plaintiffs, by and through their counsel, and move the Court to livestream the hearing on Tuesday, October 14, at 10:00 am. Attorneys arguing for Plaintiffs will be present in person. The requested livestream via WebEx would be for viewing purposes only.

In support of this motion, Plaintiffs state that their counsel include a team of pro bono lawyers from New York and New Jersey who are not all able to travel to New Hampshire to attend the hearing in person. Further, counsel for Plaintiffs have received inquiries from interested members of the public regarding whether the hearing will be streamed for viewing.

Plaintiffs reached out to the State for its position on this Motion, but did not receive a response by the time of filing. The State did assent to all similar requests in the past.

WHEREFORE, for the foregoing reasons, Plaintiffs respectfully request that the Court livestream the hearing on October 14, 2025 via WebEx for viewing purposes, and for such other relief as the Court may deem proper.

Dated: October 9, 2025

Respectfully submitted,
