v.

Adam Montgomery

Docket No. 216-2022-CR-00577

**ORDER**

The defendant has filed a motion to keep the probable cause affidavit filed in Docket No. 216-2022-CR-2372 under seal. This is in response to a motion filed by WMUR-TV in that case seeking to unseal the affidavit. In the instant motion, and in response to WMUR-TV's motion, the defendant argues that unsealing the affidavit will deny him due process and a fair trial, as it will irreparably taint the jury at the upcoming trial in this case.

On today's date, the Court issued an order granting WMUR-TV's motion to unseal, subject to the parties' right to seek reconsideration. The Court incorporates herein the reasoning set forth in that order. Accordingly, the defendant's motion is DENIED.
