JUDICIAL BRANCH
SUPERIOR COURT**

Hillsborough County

Hillsborough Superior Court Northern District

State v. Alexandra Eckersley

216-2022-CR-03011

ORDER ON RECORDS TO BE PLACED IN THE PUBLIC FILE

Pursuant to the court's order of June 27, 2024 (Messer, J.), the following documents shall be unsealed today and placed in the public file:

Docket Index # 12, 16, 17, 18, 39, 41, 42, 43, 44, 47, 71, and 91.

The Defendant filed a motion to seal a portion of Doc. 86. That motion has been granted. Accordingly, Doc. 86 and the refiling of that same document at Doc. 107, shall remain under seal. The redacted pleading, Doc. 108, shall be placed in the public file.

The defendant has notified the Court that it seeks to have certain confidential or privileged information redacted from the Court's order at Doc. 94. The defense shall file a motion on or before July 12, 2024 along with a redacted version of the order containing the information they seek to have placed under seal.

The Court notes that in its original order it did not identify Docs. 29, 30, and 32 as documents that may require unsealing. If neither party files a motion to seal along with a redacted pleading on or before July 12, 2024, those pleadings shall be placed in the public file thereafter.
