SUPERIOR COURT
NORTHERN DISTRICT

STATE OF NEW HAMPSHIRE

v.

ALEXANDRA ECKERSLEY

**MOTION TO DISCLOSE DR. PELAPRAT'S SEALED REPORT
TO A MENTAL HEALTH PROFESSIONAL**

NOW COMES, the State of New Hampshire by and through the Hillsborough County Attorney's Office, Shawn P. Sweeney, with this motion to disclose a sealed report prepared by Dr. Pelaprat in the above captioned matter and states the following in support thereof:

1. The defendant filed a mediation statement with an accompanying motion to seal stating:
"Kimberly Kossick, counsel for Alexandra Eckersley, asks the court to seal the MEDIATION MEMORANDUM. It contains protected health information. In addition, it is meant for use in a mediation hearing which is sealed."
2. Defense counsel later expressed an intent to present the testimony of Dr. Mathilde Pelaprat as an expert witness at trial and pointed to the report provided as an attachment to the Mediation Memorandum as the report of Dr. Pelaprat's anticipated testimony.
3. The State asks that the Court allow the disclosure of the sealed report to a mental health professional for analysis and trial preparation. The mental health professional would, of course, be instructed not to allow further distribution of the sealed report or its contents without permission of the Court.
4. The State sought assent for the requested relief from counsel for the defense, Kimberly Kossick, who made her objection to the foregoing motion.

Wherefore, the State respectfully requests that this Honorable Court:

- A. Allow the State to provide the report of Dr. Mathilde Pelaprat to a mental health professional for analysis and trial preparation, and

After review, and the defendant having asserted no objection, the motion is
GRANTED.
