SUPERIOR COURT

MERRIMACK, SS.

SUPERIOR COURT

State of New Hampshire

v.

Anna Barbara Hantz Marconi

No. 217-2024-CR-01167

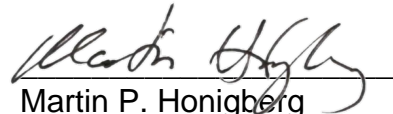

INTERIM ORDER ON MOTIONS HEARD IN MAY

The Defendant, Anna Barbara Hantz Marconi, moved to dismiss the indictments against her on various grounds. See Doc. 53–55, 64–68. She also moved for a bill of particulars. See Doc. 62. The State objected to the Defendant’s motions, to which the Defendant replied. See Doc. 59–61, 74, 81–85 (Objs.), 70–72, 86, 88–89, 91–92 (Replies). The Court held a hearing on these motions on May 20, 2025. Since that time, the Defendant renewed her motion to disqualify the Attorney General’s Office and dismiss the indictments. See Doc. 105. The Court had scheduled a hearing on that motion for August 8, 2025, which has been continued to September.

The Court has deferred ruling on the Defendant’s motions to dismiss and motion for a bill of particulars, Doc. 53–55, 62, 64–68, until after the September hearing on the renewed motion to disqualify and dismiss, Doc. 105.
