

Clerk's Notice of Decision  
Document Sent to Parties

on 09/11/2025

Granted

Honorable Martin P. Honigberg

September 10, 2025

STATE OF NEW HAMPSHIRE

SUPERIOR COURT

MERRIMACK COUNTY, SS

Case No.: 217-2024-CR-1167

STATE OF NEW HAMPSHIRE,

vs.

ANNA BARBARA HANTZ MARCONI,

**MOTION TO EXTEND TIME FOR  
SUBMISSION OF MOTION FOR  
RECONSIDERATION**

NOW COMES Petitioner Brok-Alan Woodward-Griffith (“Petitioner,” “Griffith”), *pro se*, and hereby respectfully submits this motion to extend time for entry of his *Motion to Reconsider Order on Petition for Access* (presently without docket markings). On grounds of accident, mistake, and/or misfortune, and good faith belief, Petitioner states in support as follows.

1. On August 28<sup>th</sup>, 2025, this Honorable Court entered an order on Petitioner’s motion to access sealed court records. See *Order* at Doc. 138, *Petition* at Doc. 125.
2. On September 8<sup>th</sup>, 2025, approximately 11:50pm, Petitioner submitted his motion to reconsider via the Court’s e-File service – which generated an error message. Petitioner attempted to resubmit his filing before midnight on Monday, September 8<sup>th</sup>, 2025, in attempt to comply with the Court’s ten (10) day deadline for reconsideration. Based on discussion with the Clerk on September 9<sup>th</sup>, 2025, Petitioner learned that the timestamps had been recorded as 12:00am and 12:03am on September 9<sup>th</sup>, 2025.
3. Separately, Petitioner respectfully notes that he did not receive formal service of the Court’s order through the e-File system, but via e-mail from the Clerk, and did not become aware of

1 the Court's Order until approximately August 30<sup>th</sup>, 2025 – which would have set the  
2 reconsideration deadline to September 10<sup>th</sup>, 2025.

3 4. Accordingly, out of abundance of caution, and due to accident, mistake, and/or misfortune,  
4 Petitioner respectfully requests that the Honorable Court consider Petitioner's motion for  
5 reconsideration as timely. Petitioner respectfully adds that:  
6

7 a. if not for the unexpected error with the e-file system, Petitioner's motion would have  
8 been timely filed by September 8<sup>th</sup>, 2025;

9 b. further, being deprived of formal e-file service, and only becoming aware of the service  
10 of the Order from the Clerk via email on August 30<sup>th</sup>, 2025, this would had set the  
11 deadline for reconsideration as September 10<sup>th</sup>, 2025;

12 c. finally, Petitioner respectfully states it was his good faith belief that the system properly  
13 registered his filing as September 8<sup>th</sup>, 2025, and only learned the following morning of  
14 the error, and immediately took steps to remedy the situation – including by  
15 communicating with the Clerk and filing this instant motion.  
16

17  
18 5. Additionally, Petitioner respectfully states that treating the motion for reconsideration as  
19 timely, as there was only, at most, a three (3) minute filing delay past midnight on September  
20 8<sup>th</sup>/9<sup>th</sup>, 2025, results in no prejudice to any of the parties, is a sustainable exercise of this  
21 Honorable Court's discretion, and is in the interests of justice.

1 **PRAYER FOR RELIEF**

2 **WHEREFORE**, without prejudice and without waiving any rights, Petitioner humbly and  
3 respectfully requests that this Honorable Court:

- 4 a. Consider Petitioner’s *Motion for Reconsideration Order on Petition for Access* as timely  
5 filed;  
6  
7 b. Any such other and further relief as this Honorable Court deems just, necessary,  
8 equitable, and proper.

9 Respectfully submitted,

10 Dated this 10<sup>th</sup> of September, 2025.
