State v. Anna Barbara Hantz Marconi

217-2024-CR-01167

ORDER ON MOTIONS DIRECTED AT SCHEDULING

In light of the State's notice of "no position" on the Defendant's motion to continue the trial, the Court has reviewed the motion and agrees that the trial should be continued. Doc. 123 is GRANTED.

With the trial continued, the Court GRANTS the relief requested in the parties' Joint Notice and Motion (Doc. 126). The hearing on the Defendant's Renewed Motion to Disqualify the Attorney General (Doc. 106) and the State's Motion to Quash (Doc. 116) will be rescheduled for the week of September 2, 2025. Responses to the Motion to Clarify filed by the Judicial Branch (Doc. 122) will be due August 22, 2025, and that motion will be considered at the same hearing.

The Clerk will contact counsel about the specific date and time for the motions hearing in September and about rescheduling the trial in November.

So ordered.
