THE STATE OF NEW HAMPSHIRE  
SUPREME COURT

In the Matter of Seth Bader, Esquire  
Case No. LD-2016-0022

RESPONDENT SETH BADER'S AMENDED AFFIDAVIT  
OF RESIGNATION FROM THE BAR

(1) I am the respondent in the above-captioned matter. I have been a member of the New Hampshire Bar since 1992. I have been under suspension since 1997, due to felony charges unrelated to my legal practice. I was convicted of two such felonies in 1998. The Attorney Discipline Office has recently sought my disbarment, due solely to my felony convictions.

(2) I have no doubt that the ADO can prove that my felony convictions exist. I cannot prove that my felony convictions do not exist, nor have I ever made such a claim.

(3) I have come to believe that the ADO can obtain my disbarment due solely to my felony convictions, without having to prove any other fact. I have also come to believe that no fact which I can now prove and get admitted into evidence will prevent the ADO from obtaining my disbarment.

(4) I have come to believe that it is to my advantage to resign from the Bar, rather than being disbarred.

(5) I therefore seek to resign from the Bar, rather than being disbarred. I have made that decision voluntarily and under no duress.

(6) I expect this affidavit to result in my resignation from the Bar.

(7) I intend this amended affidavit to include all of the elements required by New Hampshire Supreme Court Rule 37(11). My prior affidavit was found to be deficient in that regard by the Court.
